

Keep A Hammerin'

Traditional

As sung by Jackie Washington, Hamilton (1919-2009)

Well I had a dream the other night
Keep a hammerin' keep a hammerin'
Well I saw old Satan and he gave me a fright
Keep a hammerin' on my soul

Oh my children
I'm going away to leave you leave you leave you leave you
Oh my children
I'm going away to leave you leave you
Oh my children
Keep a hammerin' on my soul

Well the spider and the bedbug they had a little tussle
Keep a hammerin' keep a hammerin'
Well the spider knocked the stuffin' outa the bedbug's bustle
Keep a hammerin' on my soul

Oh my children
I'm going away to leave you leave you leave you leave you
Oh my children
I'm going away to leave you leave you
Oh my children
Keep a hammerin' on my soul
